Fire Safety Cards

Use with "Hot Tips" on page 6.

Don't touch fire.

Don't touch matches.

Don't touch a hot grill.

Don't touch a hot slide.

Don't touch a hot stove.

Don't touch a hot iron.

Don't touch hot bath water.

Don't touch a hot heater.

Don't touch a hot curling iron.

What Is Safe to Touch?

What is safe to touch? What isn't safe to touch? Sort the pictures.
When you're through, click "ALL DONE" to check your answers.

Safe

Not Safe

Circle the things that are **not safe** to touch.
